Commander's Corner --Jay Burbank Commander

We were all saddened to learn of Reggie Perkins' passing. Last week we joined his two daughters in toasting his memory in the Club. At this point, the family is scheduling Saturday afternoon, October 27th for a public memorial, either at Shamel Park (across the street from his home) or at the Vets' Hall.

At our October 3rd meeting, my wife Pat and I will present a slide show: "Around the World in a Model A". This presentation will focus on the 100th anniversary of the Lincoln Highway, and a Model A Ford tour of Portugal and Spain in 2017.

Since Lesli's resignation as Club/Bar Manager, we have been operating the Club with somewhat reduced hours, staffed with interim employees. We plan to return to a normal schedule shortly.

Looking forward, October 7th is the annual TS2 dinner to honor the families

of our active duty service members from the Cambria area. Contact information is (805) 203-5628.

Next, the Project Hero group (formerly Ride to Recovery) will arrive on Tuesday night October 17th, with a SALS spaghetti dinner upstairs in the Vets' Hall that night. On Wednesday morning, we will meet the cyclists on Highway 1 with our flags waving as they exit town. Tim Winsor is also raising the garrison flag over the highway for them.

In November, our Veterans' Day celebration plans are proceeding. Because this holiday falls on Sunday, there seem too few celebrations on November 11th this year. As a result, we hope that our celebration at 1 pm will be attended by a large number of veterans from around the county, including Post 66 Legion Riders from SLO. Following the ceremony, the SALS will provide BBQ hamburgers/hot dogs: veterans eat free and there is a \$5 suggested donation for others.

dinner and the auxiliary ladies will be decorating and serving the families.

October 16th the Auxiliary will be assisting the Legion and SAL's in serving the riders for "Project Hero" (previously Ride to Recovery) a delicious spaghetti dinner. Then October 17th is the day that the riders will be making their way from San Simeon to Pismo Beach. They will be stopping by the grammar school and the middle school to visit with the kids. The Auxiliary will again be getting American flags for all of the students to welcome the riders.

Thursday Night Dinners continue to be a challenge to get new people to cook. This is the Auxiliary's bread and butter. Without these dinners, the Auxiliary would not be able to give to the amazing Veteran's, Children's, and Military organizations that we honor. These are so important. The meal doesn't have to be anything super fancy. Please think about making a dinner. Call Mary at 927-8178 or Shelley at 927-2544 if you are willing to cook a meal. Remember, the auxiliary pays for all of the costs involved and we are willing to help with anything that you need.

Now that we are in to a new fiscal year that means that your dues are due. Membership cards are available in the club, so if you would like to pay for the 2018-2019 year you can pay the club the \$30 and you will get your new card. You can also mail in your dues to P. O. Box 732, Cambria 93428 and we will mail you your card.

Auxiliary Briefing

--Shelley Woeste,
President

We have some exciting things headed our way this month. On Sunday, October 7, the Auxiliary will be honoring our local active military families and assisting with the annual TS2 Dinner. Susie Bassetti will be cooking a fabulous

As a reminder, our General Meeting is the first Wednesday of each month at 7:00 pm upstairs in the side room of the Vet's Hall. We love when we see new faces. Come and join the meeting. It's only one hour a month. Please come and get involved in your American Legion Auxiliary. See you there.

**SALS**

--Ted Ashlock

The month of September has come and passed. The highlights for September were Pinedorado, Patriot's Day and the monthly meeting. Flags on Man St. were installed for the Pinedorado weekend. This year the SAL group elected to pass up the parade, so the town's folks had to endure the parade without popsicles. You all will just have to wait until 2019 for free red, white and blue popsicles.

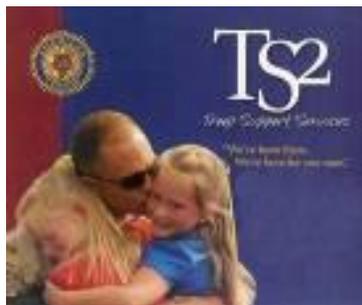

On September 11th Post # 432 hosted a Patriot's Day celebration honoring those who passed and served following the 2001 September 11th terrorist attack. Seventeen years later it is still disturbing to think how little some people value human life. The day the world changed. The ceremony was simple and the crowd was light, but all who attended know why we dignify the day with a tasteful and sincere patriotic celebration.

The September meeting was again lightly attended. It seems as if the email tree

lasted a total of one month and there was limited reminders for the September 19th meeting. Pizza was shared and there were a couple of newcomers in attendance, Byron and Jim. It would be good to see Byron, Jim and the entire SAL crew at the October meeting hosted at the club patio on Wednesday the 17th @ 6:30PM. The super big highlight of the month of October is the day before the meeting, 10/16, when Project Hero, formerly known as the Ride 2 Recovery, rides south on Hwy 1 from Seaside to Cambria. The group will overnight at the Cavalier Inn in San Simon on the 16th, and the Legion Family will host the soldiers for a spaghetti dinner that night up-stairs in the Vet's Hall. It is truly an honor to serve the Project Hero a meal. It is a humbling experience and this 333 is a group where the SALS and Legion family need to share the love. These young men, many challenged with PTSD or bodily injury, are the reason why we support the American Legion. This group, this night, is our mission statement. Come down to the club and share the evening of 10/16/18 with Project Hero. The SALS will need to develop a dinner preparation plan of action.

The following month the SALS will be honoring Veteran's Day, 11/11/18 by installing Flags on Main St. The present plan is to meet 11/8/18 or 11/9/19 at 7 AM to get the flags installed. The SALS will provide hot dog and hamburger BBQ for Veteran's Day Celebration.

That is all the news that is news!! Thank you and I'll see you at the Project Hero dinner.

LEGISLATIVE REPORT:

August 30, 2018 VA announces \$200M in funding for Grant and Per Diem Program to support homeless Veterans programs nationwide —

Today the U.S. Department of Veterans Affairs (VA) announced it plans to provide approximately \$200 million in fiscal year 2019 funding to support more than 13,000 transitional housing beds for its Grant and Per Diem (GPD) Program. The list of community partners who will work with VA to provide transitional housing for homeless Veterans can be found on the VA's homeless Veterans

(continued on page 9)

(continued from page 8)

website. VA intends to award about \$2.7 million to renew 12 Special Need grants for support services for homeless Veterans who have chronic mental illnesses, women Veterans and Veterans who must care for dependents under age 18. "The Grant and Per Diem program gives our homeless Veterans an important source of support," said VA Secretary Robert Wilkie. "We appreciate the U.S. Congress providing this funding because every homeless Veteran deserves the opportunity to move from living on the streets to a safe and supportive environment." To receive the grants, which were published in the federal register and other public sources, each bidder submitted an application and underwent a performance review. Through this process, each applicant determined the resources it would need and the housing model for which it qualified to help Veterans transition out of homelessness. Some housing models include: Bridge Housing — short-term stay in transitional housing for homeless Veterans with pre-identified permanent housing destinations, when that housing is not immediately available. Low Demand — to accommodate homeless Veterans experiencing chronic homelessness, who were unsuccessful in traditional housing/residential programs. Hospital to Housing — addresses the housing and recuperative-care needs of homeless Veterans who have been hospitalized and/or evaluated in an emergency room. Clinical Treatment — provides residential substance use and/or mental health treatment in conjunction with services to help homeless Veterans secure permanent

housing and increase income through benefits and/or employment. Service-intensive Transitional Housing — residential services that facilitate stabilization and transition to permanent housing. Transition in Place — provides support services in the Veteran's living unit, phasing out over time, as the Veteran adjusts to permanent housing. Established in 1994, GPD provides needed support and services to a number of programs across the country that care for homeless Veterans to help them achieve residential stability. To learn more about VA's programs for homeless Veterans, visit <http://www.benefits.va.gov/PERSONA/veteran-homeless.asp>.
